

**OFFER TO VOLUNTEER SERVICES: ASSUMPTION OF THE RISK**

NINE MILE CREEK TROUT STOCKING 05/9/2018

I hereby offer to volunteer my services at my own risk to the NMCCC to assist it as I can. I agree to limit my volunteer efforts to my assignments and I agree not to perform any activity that is not specifically assigned to me. I know my own capabilities and limitations and also agree to not perform any activity that will jeopardize me or anyone else. I understand that the services may include physical activities, physical exertion, and spending time outdoors. I understand that the risks associated with my volunteer services include minor to potentially severe physical injury. Knowing the types of activities that are requested of me, and the risks associated with those activities, should I be injured during my volunteer service, I agree that I shall be personally responsible for my own medical care expenses and any other consequences of my injury. I have read the entire agreement, and knowing and understanding its contents, I agree to be bound to its terms.
