### **Volunteer Award**

The awarding of volunteer points began in 2006. This award is to acknowledge those members who generously give their time so the club events (races, rides etc.) can be successful. This is a very small way to say **THANK YOU** for your support. The point structure is the following: 4 points for leading a ride; 2 for assisting at time trials; 5 points for working half a day at one of our day long events. Points carry over for 3 years and then reset to zero.
